Japan Ministry of Defense

Subject: **Notification Letter**

Ladies and Gentlemen:

Northrop Grumman Aerospace Systems is the Original Equipment Manufacturer (OEM) of the E-2C Hawkeye aircraft. AAR OEM Aftermarket Solutions, has been appointed as our authorized distributor to supply the factory new E-2C Northrop Grumman designed parts used on Japan Air Self Defense Force E-2C fleets (Maintenance, Repair and Overhaul) under our CAGE Codes 26512 and 70974 to the below customers.

Customers: Japan Air Self Defense Force 2<sup>nd</sup> Depot, 3<sup>rd</sup> Depot and Kawasaki Heavy Industries

This letter shall not be disclosed to a third party, with the exception of Sumitomo Corporation and the Japanese Ministry of Defense, without written consent of Northrop Grumman Aerospace Systems.

This letter is effective from today until March 31, 2020. All of the quotes will be issued from AAR during the time period.

If you have any questions or concerns, please feel free to contact Vicki DeBlasio at 321-726-7371 or via e-mail at [vicki.deblasio@ngc.com](mailto:vicki.deblasio@ngc.com).

Respectfully,

Vicki DeBlasio  
Japan DCS Program Manager
