AAR Aircraft Component Services (ACS) NY			

Certification Requirements:

- AAR ACS NY requires an Authorized Release Certificate (FAA 8130-3, EASA Form 1, etc.) on all eligible New material with the below exception.
- Arkwin kits **do not** require an 8130-3 but any eligible Arkwin piece parts that **do not** have an 8130-3 from Arkwin and are not incorporated into a kit **will** require a DAR 8130-3 to be issued.
