

This **DO NOT USE** List is applicable for all MTU Maintenance locations listed below:

MTU Maintenance Hannover
MTU Maintenance Berlin- Brandenburg
MTU Maintenance Canada
MTU Maintenance Zhuhai
MTU Maintenance Serbia
MTU Maintenance Lease Services

The supply of parts directly from, or traceable to, any of the sources listed below is prohibited, unless falling into one or more of the categories below:

1. The part is to be inspected, overhauled, and certified airworthy by a MTU Maintenance location prior to further use.
2. The part has been overhauled and certified airworthy by an MTU Maintenance approved supplier after the date in the remarks column.
3. The part is to be purchased from an MTU Maintenance customer which falls within one of the geographical/regional restrictions.

Furthermore companies listed on sanctioned party lists, red flag lists, restricted party lists as well as companies affected by an embargo shall not be used.

This list will be circulated to all Distributors when revised and is always available upon request from MTU Maintenance Supplier Quality Assurance.

NOTE: In all cases of doubt, contact the MTU Maintenance Supplier Quality Assurance Department for clarification
