## JALUX Americas

### Certification:

- **Requires a certified true copy stamp** (on a copy of the ARC's not the originals, reflecting the quantity being supplied) if the ARC quantity is split. This applies even if they are purchasing the remaining quantity and are being provided with the original ARC.
- Certified True Copies of the Authorized Release Certificates (ARC's) must be perfect, not cuts, no missing corners, no missing margins, etc. Copies must line up perfectly and should not be crooked either.

### QC Required Photos:

Jalux requires "**LARGE**" Serialized Serviceable or better parts i.e. LLP's, Cases, Fan Blades, etc. to be photographed per the following:

- Photo of Part Number and Serial Number
- A few over-all photos of the parts illustrating it good condition and the absence of obvious damage
- Photos of any scratches/dings/nicks/chips/discoloration that is deemed not to affect Fit/Form/Function
- Photos of mating surfaces
- Photos are to be uploaded to the AAR Inventory Tag part pics folder.
