*Addition this letter

**Revision this letter

If you desire to use any other repairs for maintenance on SkyWest components, please contact us in advance for approval. SkyWest requires that we review the data prior to giving approval to use the data. Repair overhaul vendors are required to possess or be capable of accessing the data as approved on SkyWest's letter. SkyWest will not share this data as it may be proprietary to the data developer.

If you have any questions or concerns don't hesitate to contact me.

Sincerely,

SkyWest Airlines
