Boeing Distribution Services

QC: Please review pick narratives for the absence or presence of Quality Clauses. If no Clauses are listed in the narratives, please issue an NCR for no contract review / Clause flow-down provided to QC.

Review all clauses flowed down via pick narrative here: [Boeing Distribution Services | Supplier Communications - Boeing Distribution](#)

Note: BDS requires the OEM serial, batch or lot number to be listed on an OEM Spec C of C if it is listed on the OEM paperwork.

They will also require the same information to be listed on our ATA106 when issued.
