Japanese Ministry of Defense  
Equipment Procurement and Construction Office

Subject: Notification Letter of AAR Defense Systems & Logistics, a division of AAR  
Supply Chain, Inc., on behalf of Pratt & Whitney

Attention: To whom it may concern

Pratt & Whitney (hereinafter "P&W") is currently working with AAR Supply Chain, Inc., 1100 North Wood Dale Road, Wood Dale, IL 60191 (hereinafter "AAR"), to distribute Auxiliary Power Unit spares, parts and components to the United States Military.

As this model is very effective to ensure top quality products and service to our USG customer, as well as on-time delivery, P&W and AAR have entered into an agreement on March 1, 2018 whereby AAR has been appointed as the exclusive authorized distributor to supply factory new parts and kits for Auxiliary Power Units used on the CH-47, H-60, U125, MH-53, MCH101, LCAC and F-16 Jet Fuel Starters used on Japan Self Defense Force Fleets under Manufacturing CAGE Code 55820 and Business CAGE code 52661.

AAR will act on behalf of P&W. While AAR is the appointed exclusive distributor, the documents issued to accompany deliveries and certify the products, such as the Certificate of Conformity, will be issued under the name of AAR. AAR will certify the products on behalf of P&W, authorized by P&W.

P&W will manufacture and maintain quality control standards of the parts sold by AAR.

This letter shall not be disclosed to a third party, with the exception of Sumitomo Corporation and the Japanese Ministry of Defense, without written consent of P&W. This letter is effective until May 31, 2019.

Should you have any questions, please contact Sue Fulmele, Contracts Administrator, at 561-796-8641.

Regards,

Sue Fulmele
