GAMECO Ltd.

Certification Requirement:

- All new / factory new material shipped to GAMECO requires an Airworthiness Release Certificate such as an FAA 8130-3, EASA Form 1, etc.
- Requires a certified true copy stamp (reflecting the quantity being supplied) if the 8130-3 and/or EASA Form quantity is split. This applies even if they are purchasing the remaining quantity and are being provided with the original 8130-3 and/or EASA Form.

Product Identification:

- All new / factory new material must be identified with an OEM label, if order is for a split quantity, product must be placed in a bag and a copy of the label must be affixed to the bag.
