## CFM Materials, LP

### General:

- All IEN's, DER's, and DR's (departure records) must have a written pre-approval from the customer prior to shipment
- Block 13C of AAR's ATA106 material cert must reference teardown facility for parts in new previously installed condition (PINS, TCTO, etc.)
- **Requires a certified true copy stamp (reflecting the quantity being supplied) if the 8130-3 quantity is split.** This applies even if they are purchasing the remaining quantity and are being provided with the original 8130-3

### LLP's:

For LLP's, please send the Back to Birth trace that is within the "Customer Approval's" folder/box/images, of the WO#, and note that this trace has already been preapproved by the customer.
